

How to get from the rectorate hotel to the Environment Centre offices at Hotel Krystal

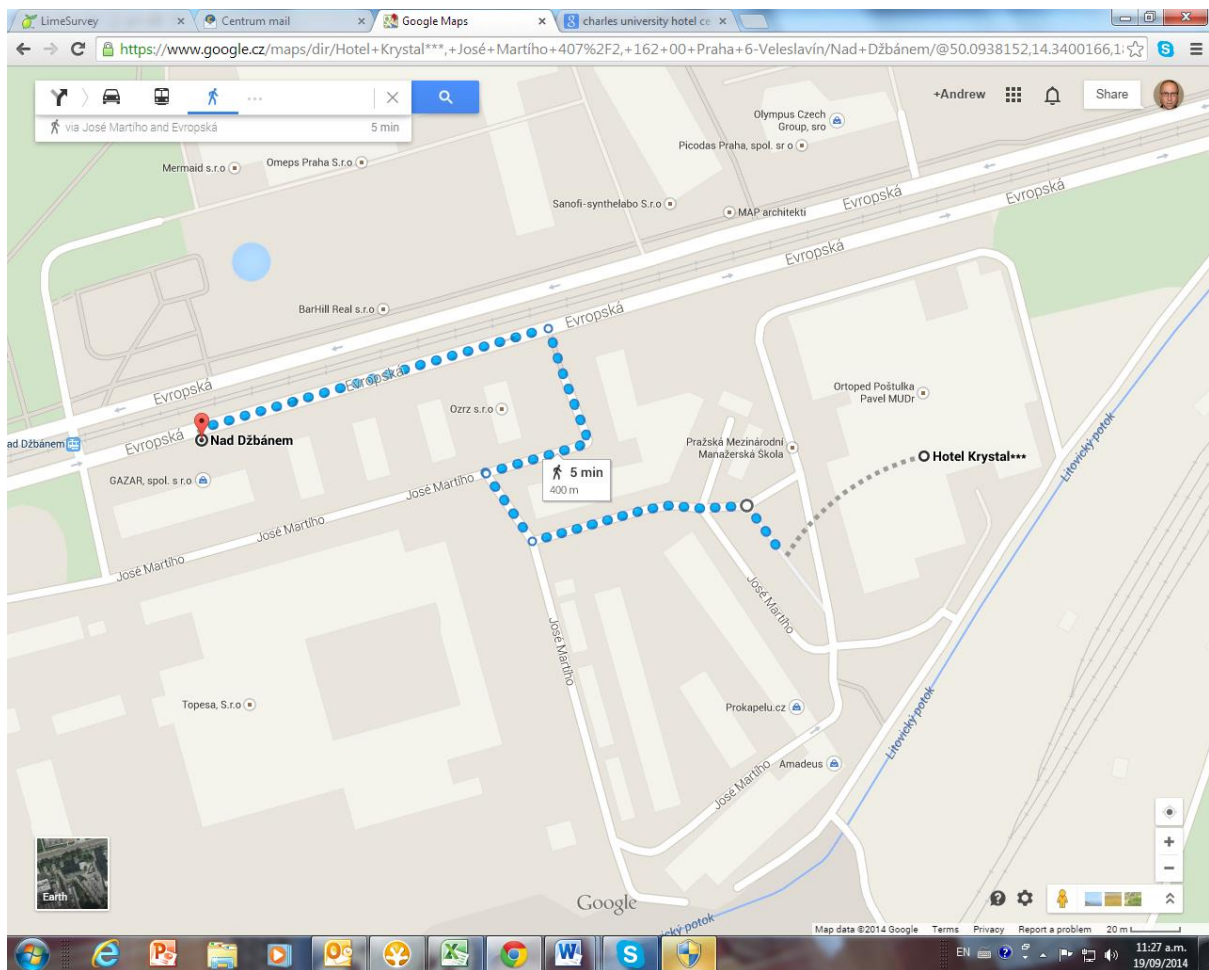

The rectorate hotel at Celetná 14 is not clearly marked, but the image below is of the entrance to the building.

Unless you travel by taxi, to get to Hotel Krystal, you must take a metro and then a tram. The nearest metro station to the rectorate hotel is called *Můstek* and is 7min walk. See the map below or click on [this link](#) :

Once you get to the metro station, buy a ticket for CZK 24 (lasts 30min), stamp it in the ticket machine at the top of the escalators and then board a train in the direction of the final stop *Dejvická*. Get off at *Dejvická* and go up the short escalator in the same direction that you were heading in on the train. Keep going straight at the top of the escalator and walk up the steps that indicate the direction of the tram to *Divoká Šarka*. Board any tram (2, 20, 26) and travel eight stops to *Nad Džbánem*. Disembark and cross the road to your left (when facing the direction you were travelling in). Hotel Krystal is then a 5min walk according to the map below:
